

DIMENSIONE

Province:	Torino
Web site:	www.gruppodimensione.com
Sectors:	E-health, Security, Smart building, Utilities
Company activity:	Gruppo Dimensione has a complete range of maintenance services, assuring customized solutions and cost optimization for final client. Together with its staff, it is also in a position to guarantee a 24-7 on-call service for emergency requirements. The offer also includes the possibility for the client to carry out the programmed maintenance of the electric, mechanical and data transmission systems so as to assure a continuous perfect functionality, thereby preventing obsolescence. The Group, through the division S.I.M.A.F. System, deals with the design, production and installation of: special window frames, both designed and traditional, in thermal-cut aluminium, cold-cut, mixed aluminium/wood, stainless steel and in special alloys; semi-structural and structural curtain walls in aluminium, galvanized and painted steel, stainless steel; external metal coatings in aluminium, Alucobond and painted steel; sockets with automatic sliding, hinged and circular doors. A particularity of this division is the production of frame components directly in its own workshop. To complete the offer, metal carpentry works are included, realized with the state-of-art technology and always with the maximum professionalism
Turnover:	19.000.000,00 €
